

Essential Fatty Acids & More

Enjoy Premier Nutrition Formulas for the Best Quality of Life

Unparalleled Lipid-Based Nutrition

In our opinion, the Standard American Diet (SAD) simply does not provide adequate oil-based nutrition (such as fatty acids) for most people. Worse yet, many people often consume fried foods and trans fatty acids (especially hidden in foods when eating out) which are known to inhibit desaturase enzymes that are necessary for the manufacture of life-essential beneficial oils.

Taking just a capsule or two daily of a premier lipid-based formula can mean a quantum difference in brain and nerve health! We invite you to **feel the difference with premier quality formulas.**

Premier EFAs

Dietary Supplement

Balanced Essential Fatty Acid Formula

Premier, Life Essential Oil Blend

Our distinctive oil blend is a premier quality, life-essential fatty acid formula, featuring an impressive blend of GLA (gamma linolenic acid) and Omega 3, 6 and 9 essential fatty acids. Premier EFAs is comprised of cold-pressed, premier quality, unrefined oils.

4 Vegetable Capsules Contain:

Proprietary Blend	636 mg
Unrefined Olive Oil, Unrefined Certified Organic Flaxseed Oil (Certified by QAI), Unrefined Sesame Seed Oil, Unrefined Borage Oil	
Vitamin E (d-alpha tocopherol)	69 IU
Yielding	
Calories	23
Calories from Fat	23
Total Fat	2 g
Saturated Fat	0 g
Monounsaturated Fat	2 g
Polyunsaturated Fat	1 g

Other Ingredients: Bee's Wax (emulsifying fatty acid esters), Vegetable Cellulose Capsule
Recommended Use: Take 4 capsules daily. For special programs recommended by your practitioner, up to 3 individual servings may be taken daily (1 serving = 4 capsules).
Code: 1341 (120 caps/bottle)

Premier DHA

Dietary Supplement

Plant-Source DHA

Premier Support for the Brain, Nerves, Eyes and Heart

Plant-source DHA is a quantum breakthrough that is derived from algae instead of fish, making it suitable for everyone including vegetarians and vegans.

Feed your brain with plant-source DHA (docosahexaenoic acid), a key Omega-3 fatty acid, important for the brain, nervous system, eyes and cardiovascular health.

Each Vegetable Capsule Contains:

DHA (Docosahexaenoic acid from algal oil)	200 mg
Yielding	
Calories	5
Calories from Fat	5
Total Fat	0.5 g

Other Ingredients: Sunflower Oil, Ascorbyl Palmitate, Sunflower Lecithin, Tocopherols, Rosemary Extract, Vegetable Capsule (corn starch, glycerin, water, carrageenan, sorbitol, beta-carotene, caramel color)

Recommended Use: Take 1 capsule daily.

Code: 0161 (60 caps/bottle)

The "Premier Nutrition Effect"

The human cell has a crystalline matrix, which means it has an ideal resonant frequency. We believe that only nutrients from "once living" sources can sustain the ideal resonant frequency of your body's cells.

When premier quality nutrients (exquisitely well grown, free of toxic tag-alongs) are combined together, their effect can be far greater than the sum of their individual benefits: the "Premier Nutrition Effect."

A **quantaceutical™** is a nutraceutical supplement that tests on to all four biofield polarities, thus delivering the "Premier Nutrition Effect" to support optimal health.

These products have been manufactured in an NSF-GMP registered facility. The prestigious NSF symbol signifies that our manufacturing plant has met rigorous NSF quality assurance standards.

Deltanol™

Dietary Supplement

Delta-Tocotrienol Complex Advanced Cardiovascular and Circulatory Support

We call Deltanol™ the 21st century vitamin E. A key part of the vitamin E family consists of four tocotrienols - alpha, beta, gamma and delta. However, it is the delta fraction that has the most significant properties for cardiovascular and circulatory health.

Deltanol™ provides a unique, live-source antioxidant with outstanding free-radical scavenging capability. This product contains superior lipid-based cellular nutrition with 110 mg delta-tocotrienols per softgel.

Each Softgel Capsule Contains:

Proprietary Blend	125 mg
Tocotrienol (predominantly delta-tocotrienol [110 mg typically] and gamma-tocotrienol)	
Other Ingredients: Softgel Capsule (Gelatin ¹ , Glycerin, Water)	
Recommended Use: Take 1 softgel daily. For special programs recommended by your health practitioner, up to 3 servings may be taken daily. (1 softgel = 1 serving).	
¹ Kosher gelatin	
Code: 0164 (60 softgels/bottle)	

Premier E Complete

Dietary Supplement

The Complete Live-Source Vitamin E Family Premier Antioxidant and Cardiovascular Support

This live-source liquid concentrate contains the complete vitamin E family, including key, naturally occurring tocotrienols (alpha, gamma and delta) and tocopherols (alpha, beta, gamma and delta), totaling 1,377 mg of tocotrienols and tocopherols per serving.

Premier E Complete offers comprehensive fatty acid nutrition, is a significant counter to lipid peroxidation, and supports cell membrane integrity and blood vessel function.

1/2 Teaspoon Contains:

Proprietary Blend	2.5 mL
Vitamin E Concentrate, Tocotrienol Concentrate	
Yielding	
Alpha Tocotrienol	27 mg
Gamma Tocotrienol	33 mg
Delta Tocotrienol	2 mg
Vitamin E (D-alpha Tocopherol) (400 IU)	269 mg
D-beta Tocopherol	53 mg
D-gamma Tocopherol	806 mg
D-delta Tocopherol	192 mg

Other Ingredients: None

Contains soy derivative

Recommended Use: Mix 1/2 teaspoon with food daily.

Code: 0600 (2 fl oz) Amber glass bottle
